3. The members of the Headquarters Board of Survey at a meeting held 10 March 1955 believed that the facts presented were not sufficient for concurrence and the Recording Secretary was requested to obtain further information on procedural instructions in effect at that time. Subsequently, this case was investigated with interested cognizant FE personnel at Headquarters and a memorandum was submitted for the record by the C/FE/LO detailing the required information. On the basis of this information, it was a unanimous recommendation of the Board that the Survey Report be approved and that no Accountable Officer be held pecuniarily liable.
